Woodstock's Sirachcha Pizza

It's time to spice things up this winter with some sizzlin' bites sure to set your world on fire. If you're in need of some extra heat be sure to check out these five fiery bites that will ignite your taste buds and warm your heart!

First stop, [WESTROOT Tavern](#). If you love fish then ordering the **Firecracker Ahi Tuna Sando** is a must! Made with furikake, togarashi, seared ahi, ginger-soy slaw, sambal cream and avocado, you'll be seeing sparks after just one bite!

Kick up the heat a few notches at [Sandbar Sports Bar & Grill](#) when you order the **Diablo Burger**. A sizzling ½ pound burger is piled high with chipotle aioli, spicy jelly, fresh jalapeños, pepper jack cheese, crispy onion strings, spicy guacamole and served with crispy French fries or tater tots. Jam packed with spicy flavors, we dare you to take on this bold burger!

Get ready to bring on the heat with the **Hell Fire Iron Fries** from [barleymash](#). Golden French fries are loaded up with prime carne asada, jalapeños, habanero peppers, roasted Serrano peppers, cream cheese, habanero jelly, and a creamy pepper jack beer-cheese sauce. These fries are a perfect spicy comfort food!

Get saucy and add a little spice to your pizza. With two San Diego locations, [Woodstock's Pizzeria](#) creates signature pizza pies like the **Sriracha-Cha**.

Creamy Sriracha sauce is topped with crispy bacon, juicy pineapple and fresh green onions. The finishing touch? A sriracha swirl across the pie. This unique pizza is worthy of its hype!

Check out [Brazen BBQ](#) for some Southern **Atomic Buffalo Poppers**. Sweet Corn and a blend of cheeses stuffed into a bacon-wrapped jalapeno that is tenderly smoked for hours. With the right balance of spices and flavor, your taste buds are sure explode with happiness!

Take a walk on the wild side and try one (or all!) of these fiery dishes. Just don't forget to order a glass of water!
